## The Publix Pharmacy Diabetes Management System

Your Publix Pharmacy is committed to helping you and your loved ones manage both the day-to-day and long-term challenges of diabetes. That's why we're proud to introduce the NEW Publix Pharmacy Diabetes Management System, designed to help you manage your diabetes through several key components, including:

### Free Medication

Get your prescriptions for generic immediate-release metformin (500 mg, 850 mg and 1000 mg) FREE, up to a 30-day supply (90 tablets). There's no limit to the number of refills of free medication you can receive.

Get your FREE metformin—NO FORMS to fill out! Just drop off your prescription on your next visit to your neighborhood Publix Pharmacy.

### Online Resources

Take advantage of up-to-date news and health education information, including interactive diabetes management tools, provided by StayWell Custom Communications. Visit this handy online resource often to learn the latest developments regarding diabetes.

And that's not all!

**You can also receive monthly e-newsletters with useful information, including coupons and special offers. Simply click "It's FREE!" at the top right of the StayWell screen.**

All this ongoing support can be right at your fingertips. [Sign up today!](#)

*By clicking any of the links above you will leave www.publix.com and enter the StayWell Custom Communications, LLC site that they operate and control. Publix makes no representations or warranties, expressed or implied, nor takes any responsibility for StayWell Custom Communications, LLC, its activities or the content of its site.*

### Diabetes Supplies

Your Publix Pharmacy carries a full line of diabetic supplies, including our own high-quality Publix brand products: meters and test strips, insulin syringes, pen needles, and glucose tablets.

Be sure to talk to your Publix pharmacist about how you can save two ways with our special offer: Get a FREE Publix diabetes meter and save up to \$10 on your co-pay for 100-count test strips! *Test strip offer is not valid for Medicare or Medicaid patients. Customer is responsible for applicable sales tax.*

Plus, it's easy and convenient to have all your diabetic testing supplies delivered right to your home. Just visit [publix.com/rxdirect](http://publix.com/rxdirect) for more information.

### Knowledgeable Pharmacists

Your Publix pharmacist is an important member of your healthcare team. Along with helping you enroll in our easy and convenient Auto Refill Program, he or she is available to give one-on-one advice about nutrition and exercise, as well as address other diabetes concerns you have.

Talk to your Publix pharmacist today and start managing your diabetes with the people you trust: the Publix Pharmacy.
